

BUBBA BLONDE ALE

For BUBBA Blonde Ale we've partnered with fishing and lifestyle brand icon BUBBA. The partnership makes sense... we were born on the coast of Charleston, SC and the BUBBA brand spends its life on the seas. We both have an unwavering dedication to providing only the best, adhering to the highest standard of superior quality with all of our brands and products. Both BUBBA and Holy City Brewing are consistently seeking out new experiences, ideas, and methods to inspire products for the next excursion.

The beer is a citrusy, crisp and easy drinking blonde ale with pilsner and wheat malts. Something to drink while exploring the waterways of the South Eastern Coast.
