## PARADISE

Sometimes, an issue transcends everything. Sometimes politics, upbringing, and all the rest of our baggage fall by the wayside when something affects the place you live and love. That's where we found ourselves recently when the South Carolina coast became a target for offshore oil drilling.

To support the Don't Drill SC movement, which we are thrilled to say was VICTORIOUS, we brewed Paradise. The 4.1% ABV session IPA is a refreshing easy-drinker with a floral nose and lots of hop flavor from some of our favorites, Citra and Mosaic. A portion of the proceeds from this beer now benefit the Coastal Conservation League who work to protect the natural landscapes, abundant wildlife, clean water, and quality of life in South Carolina.
