Super easy drinking straw colored treat. This hybrid between an ale and lager is perfect for summer patio sipping... or anytime of the year!

Marto Shonka Pilsner

Pilsner - Czech / 5.7% ABV / Sioux City, IA

Clean, crisp and easy drinking with a slightly sweet, white bread malt character and the spicy, herbal notes of Czech Saaz hops. The Czechs invented the Pilsner; here's our take as a tribute to Rod's Grandpa Shonka, who enjoyed a good beer and playing Czech polkas on his accordion.

Marto Iowa Sunrise

Lager - Vienna / 5.2% ABV / Sioux City, IA

A perfectly balanced lager brewed w/ all German malts, German hops, & lager yeast. An extended lagering period takes it to the next level. This amber colored, slightly malty lager is perfect for patio drinking!

Marto Whammo!

Hefeweizen / 5.7% ABV / Sioux City, IA

Brewed with loads of wheat malt & fermented with a German Hefeweizen yeast. The classic yeast presents a bouquet of banana and a touch of clove.

Blonde kettle sour fermented on hundreds of pounds of apricots. Contains lactose.

Marto Troubadour

Sour - Fruited / 6.2% ABV / Sioux City, IA

Marto Lost In Spacejuice

IPA - New England / 7.6% ABV / Sioux City, IA

An intergalactic collision of Galaxy and Comet hops caused us to momentarily get lost in all the juicy citrus, grapefruit, and other fruity flavors, and left us in a haze of hophead satisfaction.

Marto Smell of Money - Nelson Sauvin

IPA - New England / 8.1% ABV / Sioux City, IA

Smell that? That's the smell of money. Hops are expensive! Hazy IPA showcasing New Zealand grown Nelson Sauvin hops. Expect notes of passionfruit, gooseberry, peach, & wine wine grape.

Marto Great Deception

IPA - Imperial / 8.2% ABV / Sioux City, IA

There's a little bit of magic in this hazy double IPA. What do you taste? Can you pick up all the flavors of the six different hops used in this beer? Some flavors elevate, others take a back seat...all deceptively good.

Big Grove X-Pollinated

IPA - Imperial / 10.1% ABV / Iowa City, IA

X-Pollinated was made with our friends from Marto Brewing Co. and is the very first collaboration beer brewed cooperatively at the Big Grove Iowa City brewhouse! A "cross-pollination" of Sue Bee® and Ebert Honey give Mosaic, Simcoe, Centennial, and Columbus hops a touch of sweetness that will leave you properly buzzing.

Loon Juice Honeycrisp Hard Cider

Cider - Traditional / 6% ABV / Spring Valley, MN

They said that the Honeycrisp apple is unfit for hard cider. They said it wouldn't work unless you added buckets of sweeteners. They said lots of stuff. Blah blah blah. We harnessed the power of this most coveted apple and concocted this bubbly beverage that finishes dry like a nice champagne. All hail the Honeycrisp!
