

OTHER HALF

Virtual Tasting Events

Gather your friends, colleagues, or clients for a
Virtual Tasting Event!

Session

Other Half will help you craft the best tasting experience for your needs, but all tastings include:

- Four 16oz selections of Other Half beer for tasting and comparison
- A 45-60 minute interactive session led by a brewery representative covering an overview of Other Half Brewing, a history of the selected styles, and tasting notes for each beer sampled

Beer delivery

Beer is delivered via UPS a few days before your event. Beer can be delivered to DC, NY, NH, PA, VA, and VT - please reach out if you have attendees in other locations to see how we can accommodate them. We can also drop all of the beer at a centralized location within the five boroughs of NY and you can make arrangements to get it to attendees if you prefer.

Pricing

- Session Planning, Facilitation, and Administration: \$500 for 25 participants; plus \$50 for each additional 25 participants
- Four 16 oz Beers: \$20 / participant
- Shipping: billed at cost
- Optional Extras:
 - Other Half glassware: \$10 / participant
 - Other Half t-shirt: \$25 / participant
 - Additional beer: priced at cost
